September 11, 2020

Dear Families:

On August 31, 2020, the USDA issued a statement that allows schools to provide free breakfasts and lunches to all students beginning September 1, 2020 and ending on December 31, 2020. USDA believes this unprecedented move will help ensure children have access to nutritious food as the country recovers from the COVID 19 pandemic.

Ansley Schools will be participating in this program effective retroactive to September 1, 2020. All breakfasts and lunches will be free for all enrolled students and will end on December 31, 2020.

Current family account balances will be used to cover the cost of your child/ren's meals from August 13, 2020 through August 31, 2020. Any remaining balance as of August 31, 2020 will stay in your family account to cover the cost of future meals beginning January 1, 2021.

Your family will not need to do anything to participate in these free meals. This change will be made automatically to all families. Please do not hesitate to contact the school office if you have any questions about this program.

Sincerely,

Gordon Goodman, Superintendent  
Ansley Public Schools
