Dear Parents:

We have enabled PowerSchool's new Parent Single Sign-On feature. This will allow parents with multiple children the ability to access all their children's accounts with only one login. **All parents, even ones with only one child, must create a new account the first time they logon to PowerSchool.** Below are the instructions on how to create this new account.

You will see this new screen when you access the login page at:

https://ansleypublicschools.powerschool.com/public/

1) Click on the Create Account button

PowerSchool

Student and Parent Sign In

Create Parent Account

Parent Account Details

First Name	
Last Name	
Email	
Desired Username	
Password		
Re-enter Password	
Password must:	•Be at least 6 characters long

2) Complete the top section with your own information. An email address is required and the password must be at least 6 characters long.

Link Students to Account

Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account

1	
Student Name	
Access ID	
Access Password	
Relationship	-- Choose

3) Enter each students' information into this section. This will link your children to this new account. Student name can be anything, but the Access ID and Password must be the User Name & Password for each child that was given to you from the school.

4) Click enter at bottom of page.

5) If successful, you will get the login page and be able to login with your new user name and password and view their PowerSchool information.

If you have any questions, please contact the Ansley Public School at 308-935-1121.
