Parent's Handbook-Please take time to read this handbook. It contains info. regarding practices, hours of operation and other pertinent information to your child(ren)'s participation in the Spartan VIP Club After School Program. You may contact the program staff with any questions you have.

Registration Form- The information contained within these forms is vital and is used by the program staff to keep your child(ren) safe and for emergency purposes. Please make sure these forms are filled out completely and accurately.

The safety of your child(ren) is our number one priority. We realize that at times there may be individuals you absolutely do not want to pick up or have contact with your child(ren). This section of the registration form puts all staff on high alert and enables the staff to prevent this person(s) from having contact with your child(ren). Also, for the safety of your child(ren) all persons (including parents) arriving to pick up child(ren) must show picture identification before staff will release the child(ren) to their custody. Photo identification will be required until all Spartan VIP Club After School Program staff can identify parents/guardians. If an individual arrives to pick up a child(ren) and they are not the parent/guardian and are not listed as a safe person for the child(ren) to go home with they WILL NOT be allowed to take the child with them. Please make sure to make prior arrangements with the Spartan VIP Club After School Program staff if someone other than the usual parent/guardian will be picking up your child(ren) from the program.

Please note that in the event that your child(ren) is/are transported due to a medical emergency the Spartan VIP Club After School Program staff will notify you immediately. In the event of a program activity/field trip you will be notified prior to the transportation taking place with the use of permission slip that your child(ren) will bring home. Practices and Procedures

Children enrolled in the program will be expected to **attend immediately after school dismissal**. *We ask that children don't leave then come later; unless a parent or teacher has made arrangements ahead of time with VIP Staff and/or accompany their child(ren) back to the Program.*

Children will be signed in when they arrive. Parent(s)/guardian(s) or other persons with permission will be required to come in and sign their child(ren) out.

All children must use appropriate language and appropriate school behavior while in attendance at the Spartan VIP Club After School Program. This means respecting the Spartan VIP Club After School Program staff, other students, school property and any other materials utilized or volunteers in attendance. (See discipline practices for further information).

Children are responsible for picking up after themselves. This means they are responsible for putting away games, equipment and supplies before leaving one area or participating in another activity. This also includes when the child is leaving to go home.

The Spartan VIP Club After School Program and staff are not responsible for any personal items that may be lost or broken while in attendance.

If a child leaves the premises unauthorized, the parent(s)/guardian(s) or individual(s) authorized for emergency contact will be notified. If none of these individuals can be reached, law enforcement will be notified,

Please notify the Spartan VIP Club After School Program staff of any address, phone number, work site or family status changes. It is important for the safety of your child(ren) and communication between you and the Spartan VIP Club After School Program staff that this information remains accurate.

Please make sure that your child is not ill prior to sending them to the Spartan VIP Club After School Program. If your child arrives ill to the program you will be asked to make other arrangements for their health and the health of the other students and staff.

Parent(s)/Guardian(s) or another authorized person will be notified if a child becomes ill or injured and needs to be picked up or taken to the emergency room. It is vital that we have accurate emergency and medical contact information. The Spartan VIP Club After School Program staffs are trained or will be trained in first-aid procedures and will attend to minor cuts and scrapes. An Accident Form will be filled out and given to parent/guardian at pick up.

Medication Practices

The Spartan VIP Club After School Program staff will not administer any form of medication to your child. If your child is prescribed a medication that they need periodically throughout the school day please make arrangements with the school office to disperse the medication to your child at the appropriate time throughout the school day.

Dismissal Practices

Each child enrolled in the Spartan VIP Club After School Program will be dismissed each day in accordance with the parent's/guardian's requests. In the event of bad weather, illness or injury the parent/guardian or another authorized individual will be responsible for picking up the child(ren). If your child(ren) is/are to walk home from the Spartan VIP Club After School Program, staff should be notified of your ahead of time. When students walk home from VIP, a staff member will contact parent and let him/her know what time the student left.

Any individual wishing to pick up a child from the Spartan VIP Club After School Program (even when authorized by a parent/guardian) not known by staff will be required to show photo identification prior to the child being released to them. *Written notification or a phone call to the staff is required for dismissal of a child to an individual not listed as an authorized person and they will have to have identification too. With written notification a sibling may sign a child in and out of the Spartan VIP Club After School Program.*

Late Pick-Up Procedure

VIP closes daily at 6:00 pm, unless noted by monthly calendar or special announcement. If student has not been picked up by the time VIP closes, VIP staff will contact parent/guardian. If not contact is made and 15 minutes have elapsed, staff will contact all emergency numbers supplied by the family per signed registration form. If after 30 minutes, no contact has been made and no one has arrived to pick up the child, staff will contact law enforcement. If a student is left at VIP more than once (without prior contact from the parent) after closing, the student will no longer be able to attend VIP.

Discipline Practices

The goal of discipline is to help children manage their own behaviors. To achieve this goal, the children will be in a stimulating environment with materials and activities suited to meet their appropriate age and development abilities. Students will be expected to demonstrate respect for one another, the Spartan VIP Club After School Program staff and program materials at all times.

The following behaviors are inappropriate and will result in consequences for the child:

- Aggressive, physical behavior/fighting, and/or excessive physical contact
- Defiance of authority
- Disruptive and out of control behavior
- Lack of consideration and rudeness towards other students and staff
- Inappropriate school behavior/language

Consequences in successive order:

- The student's behavior and impact upon themselves and others will be discussed with them by one of the Spartan VIP Club After School Program staff members.
- Removal from activity/timeout/student will be redirected.
- Written/verbal notification and explanation of situation and behavior to the parent/guardian. This notification must be signed and returned before the student can return to the program.
- After 3 written notifications, parents will meet with Spartan VIP Club After School Program staff and Principal to develop a behavior plan/contract.
- If the student violates the behavior plan/contract, he/she will be suspended from the Spartan VIP Club After School Program (length of time to be determined at time of suspension).

Parents/guardians will immediately be notified if the child's behavior endangers their safety, the safety of other students or the safety of the staff. The Spartan VIP Club After School Program takes pride in promoting positive behavior through recognition and positive reinforcement.

Withdrawal Practices

Spartan VIP Club After School Program staff would request a written notice of withdrawal if your child(ren) will no longer be attending the program. We would also appreciate a few minutes of your time for you to express the reason for the withdrawal. We believe this will be beneficial for the program in the future as we can make necessary adjustments/improvements.

We believe that the Spartan VIP Club After School Program staff are working as a team with the parents/guardians to make the Spartan VIP Club After School Program be the best experience it can be for your child(ren). Open communication between yourself and the staff is a key ingredient in the success of the Spartan VIP Club After School Program.

A \$30 DONATION PER FAMILY IS REQUESTED TO HELP COVER THE COST OF SNACKS AND SUPPLIES.
